

This book introduces children to the features of Black Holes and space wonders. Complex concepts as Universe, Wormhole, Event horizon are illustrated with beautiful drawings. The fearless spaceman pilots his craft in a wormhole. He discovers galaxies and planets never before charted. He lands on alien worlds never before explored, confronting space species never before encountered. A fascinating text, designed to surprise through a fantastic journey until the borders of a horrifying Black Hole. For astronauts ages 3 to 7 years.
