I got this book for a friend's son and they absolutely loved it! I browsed through it, and the pictures are adorable. The message is very positive. I would recommend this book to anyone, but it does make a great gift! ~ Diana My twins give four thumbs up! Ms. Marshall has a gift for touching the hearts of her young readers, as well as those who are young at heart. ~ Leila, Luke & Sasha An amazing gift! Everyone should have this book! The photos are bright and fun, full of life and love. This book would be a special gift for ANYONE young or old. I see her eyes light up and her heart filled with warmth and love as I read each page. ~ Ami I just read this book and loved it! Although it's written for children, anyone (young or old) can benefit from its wisdom. I firmly believe that affirmations make a

big difference in the way we see the world. And this book is written in such a way that kids of all ages will gain from it. ~ Jay My daughter was so excited when she got her new book in the mail! She read it to me right way. She loved the beautiful and bright and fun story and illustrations about the cute doggies. ~ Tammy I absolutely love these books! I am ordering a duplicate set. ~ Lauralee My 3.5 year old son received this book as a gift, but I have to say the affirmations spoke to me as well! You're never too old to be reminded that you should love yourself and celebrate all that is great about you! As with all of this author's books the pictures are great, and we have as much fun looking at the pictures as we do reading. ~ Stephanie This book has a warm, playful theme that kids will love, adults will feel good reading such positive affirmation for their kids to read over and over again. I highly recommend a copy for home and as a gift for loved ones! ~ Sarah As a mom of two little girls, I'm pretty picky about their toys and books. My 2 year old likes dogs, but is a bit nervous around big dogs and loud dogs. This book has been effective at helping her to build confidence in herself and around animals. What a great combination! ~ Amy Michael loves his book. I also purchased one for my 2 granddaughters Morgan and Reagan. I gave the books to them at Easter and they are really enjoying them. They get very excited hearing their name. ~ Debbie
