

I Learn from My Brother and Sister (The Things I Learn)

When we spend time with our siblings, playtime can also be a time to learn. Young readers follow along as a relatable narrator discovers the things they can learn from their brother and sister. From playing music to building a blanket fort, these fun and familiar experiences are presented through an engaging fictional narrative that can be read independently by early learners or read aloud to them. Colorful illustrations guide readers through the story, helping them build strong reading comprehension skills in an entertaining way.
