

Will all Stars dreams be dashed? The European leg of Stars tour is going well, but Star has begun having strange dreams, and shes convinced they have something to do with her family. Meanwhile, a secret she shares with fellow pop star Jade is leaked to the press and explodes into a media war between the two idols. It seems that Jade and her people will stop at nothing to discredit Star! Star is so depressed and distracted she starts messing up onstage. Can she save her reputation, make things right with Jade, and figure out the real meaning of her dreams before she winds up ruining everything shes worked for?
