

Andrew Lost #13: In the Garbage (A Stepping Stone Book(TM))

Andrew, Judy, and Thudd have time-traveled out of an ice age only to find themselves shrunk down and tossed out with the garbage! As they get up close and personal with half-eaten hog dogs, soggy pasta, and old fruit rinds, they'll learn about the stinkybut oh-so-necessary!process of decomposition. Kids, parents, and teachers love this serieskids for all its gooey grossness, and teachers and parents for all the fun science and great discussion points!
