

Andy Shane and the Very Bossy Dolores Starbuckle

Andy Shane did not want to be in school. He did not want to be at morning meeting. He did not want to sit up straight on the rug. Andy Shane would much rather be home catching bugs with Granny Webb than sitting in class with the likes of know-it-all Dolores Starbuckle. Any minute, Dolores is likely to shout out, Ms. Janice, someones not sitting properly! or Ms. Janice, someones misusing the math materials! (meaning him, of course). At rhyme time, the words bug and rug get stuck in Andys throat while Dolores yells out of turn, Hullabaloo and Kalamazoo! I hate school, he blurts out at the end of the day to Granny Webb, who is sympathetic but firm. But when Granny makes a surprise visit to school with a monarch caterpillar, everyone is mesmerized and Andy remembers how much he knows about insects himself. Even Dolores Starbuckle cant help but be impressed!
