

Learn more about employment options for engineers (direct/contract/consulting/starting a business) and how they might work for you. Personal Positioning for Engineers considers a series of questions on each of these options, and also looks at such career opportunities as moving into management versus staying technical, working for a large company versus a small company, and private industry versus government agencies.

Bridget T. Little Changes Her Name (Volume 1), An Elementary Treatise on the Differential and Integral Calculus: For Use of Colleges and Schools, Star Rise: The Third Expedition (Yah and the Space Cadets Book 3), Frank Einstein and the BrainTurbo (UK edition) (Frank Einstein series #3), Das Story Time: Rumpelstiltskin,
