

Archie and George and the New Bikes (Early Reader)

A blue Early Reader about Archie and George, twin brothers who may look the same but are VERY different. Early Readers are stepping stones from picture books to reading books. A blue Early Reader is perfect for sharing and reading together. A red Early Reader is the next step on your reading journey. Archie and George are identical twins. Archie is six minutes older than George. They look the same but are very different. Archie loves ball games and running and being outside. George loves drawing and reading and being inside. When Grandma and Grandad give the twins their very first bikes, Archie can't wait to have a go. George feels a bit scared but luckily Grandma is on hand to help! A blue Early Reader story about learning to ride your first bike - and how practice can often make perfect.
