

# Attack of the Growling Eyeballs (Who Shrunk Daniel Funk?)

Daniel Funk always wanted a brother, but he's got three sisters instead. Until he shrinks to the size of a toe and discovers Pablo, his twin brother who's always that small! Together, they have mountains of tiny-size fun. In *Attack of the Growling Eyeballs*, they release a hissing cockroach at one of their sister's slumber party and learn that tiny-size trouble can cause mega-size danger. In *Escape of the Mini-Mummy*, Daniel enters the school diorama contest against Vince the Pizza Prince. Pablo comes along, disguised as a toilet-papered mummy. Can Pablo help Daniel win big, or will he create big-time Egyptian chaos?
