

## Touch of Frost (Mythos Academy)

But lately, things have been weird, even for Mythos. First, mean girl Jasmine Ashton was murdered in the Library of Antiquities. Then, someone stole the Bowl of Tears, a magical artifact that can be used to bring about the second Chaos War. You know, death, destruction and lots of other bad, bad things. Freaky stuff like this goes on all the time at Mythos, but I'm determined to find out who killed Jasmine and why? especially since I should have been the one who died. Touch of Frost is an intriguing start to an exciting new series! ? Award-winning author Jeri Smith-Ready
