

## Bridging the Tides (Surface Series Book 2)

The inventive undersea world of Amanda Ziebas **BREAKING THE SURFACE** and **BRIDGING THE TIDES** should appeal to fans of Ally Condie's **ATLANTIA**. - Polly Holyoke, author of *The Neptune Project* and *The Neptune Challenge* When you're 16 it's supposed to be you against your world history test, you against the mean girl, you against your fear of rejection by the cutest guy ever. For best friends Flynn and Nora, these are battles they fight every day. But they aren't the only problems they face. Due to an experiment gone wrong, they have much, much bigger fish to fry. They're going to need the help of all their friends, above water and below, as well as a few new ones, to solve them. *Bridging the Tides* picks up where *Breaking the Surface* left off. Flynn and Professor Sorenson have arrived at the ARK to help Caspian and the rest of the crew battle Adonis and his army of Water Warriors. Dark and dangerous deeds are happening underwater, but not all the fish in the sea are pleased with Adonis' plan. When new recruits join the ARK Allies and new information is discovered, the crew finds reasons to believe in a bright future. Will the crew manage to find their parents, stop the evil underwater? Will they find the bridge leading to their happy ending above water and below? This sequel tops the first and readers who love adventure, romance, science fiction, action and suspense will not be disappointed.
