

From the author of the New York Times best-selling 5-part CONVERSATIONS WITH GOD series comes Gods answers to real questions from teenagers all over the world (hardcover, Nov. 01, Hampton Roads). In the authors words, CONVERSATIONS WITH GOD FOR TEENS is a look at all the questions that teenagers from every corner of the globe are asking, and the answers that I have received from God in my private meditations. Some of the questions include, Are you listening, Why do good things happen to bad people and bad things happen to good people, and How will I know when it will be the right time to say, I love you?

To compile questions for this book, Neale Donald Walsch traveled all over the world to speak with young people in order to accurately incorporate their unique issues into his personal dialogue with God. The result is, in the words of the author, one of the first books ever to speak to teens from Gods point of view.
