

The Jupiter Stone

This striking picturebook chronicles the journey of a small striped stone-which bears an uncanny resemblance to the planet Jupiter-from its beginning in the heavens to its landing on primordial Earth to its return to space. Award-winning author/illustrator Paul Owen Lewis has created a simple yet never-ending story which will inspire more questions than it answers. First new book from author of STORM BOY in six years! Will inspire readers to gaze at the night sky and wonder. Abundant cross-curricular possibilities.
