

Have you ever wondered why others are different from you? Have you ever thought of improving who you are? Do you know that humans are a combination of the things that shaped their character, attitude and operational dynamics; thereby forming their perspective and perception? Questions like these are the reason for this piece "You Are!" This book is an embodiment of timely and relevant information to help you in the process of shaping your destiny. As you read this book, it will help you increase your awareness of what life demands from you. And as such, you will be inspired, motivated, challenged and propelled to be the individual you were destined to become.
