

Black and White and Gray All Over (Dear Know-It-All)

Sam needs some serious advice when a new staff member competes for newspaper bylines and for her crush's attention. Cherry Valley is abuzz when a new girl comes to town from the UK. Kate Bigley has dark hair, bright blue eyes, and an English accent and she has dreams of being a reporter. Mr. Trigg is thrilled when Kate joins the Cherry Valley Voice staff, but Sam is less excited to have some competition. Especially when Kate is paired up with Michael Lawrence for the next big cover story. What if Sam's crush gets a crush on someone else?
