

Goliath and the Dognappers (Knight Books)

Goliath is the biggest dog for miles around, so it seems funny that his best friend is a very small dog called Nipper. One day, Nipper is stolen and a ransom note from the dognappers means the end of his owners life-savings. David, Goliaths young owner, has a few ideas as to who the dognappers are, and he can count on Goliath for plenty of help... Join David and Goliath in the third of their exciting, easy-to-read adventures.
