

Empathy. Who painted the beautiful dog? (for Beginner Readers, Ages 3-8, values Book, Bedtime Story)

EMPATHY. Who painted the beautiful dog? is a book about choices (good ones or bad ones). Our friend Mary finds out by herself that it is difficult to put yourself in someone else's shoes; sometimes anything you choose could disappoint someone. An amusing story about kids' life, about choices and consequences of our behavior. It is important to put yourself in someone else's shoes, to understand him or her and offer help if you can. When you learn about empathy, you become a happier, a more balanced person in your life. As in the previous story (CREATIVITY. Yummy! Who ate my painting?) the child has four endings to choose from. Discuss with your kid his/her choice: you will find out about the way he or she is thinking.
