

The Dragon Slayers Academy is back-and its bigger and better than ever! The books have new covers and are now 112 pages long. Expanded from the old 96-page format, they now feature a fun Dragon Slayers Academy Yearbook at the end of each story, with funny profiles of the faculty, the staff, and, especially, the students of D.S.A. All the things kids want to know about their favorite characters are revealed: their silly nicknames, inner secrets, wildest dreams, and lofty plans for the future! The Dark Forest just doesnt seem like the best place for a class trip. But thats where Seetha the dragon hid her gold, so thats where Wiglaf and the other kids from D.S.A. have to go-even if it means entering the booby-trapped Cave of Doom! Illustrated by Bill Basso.
