

This book will inspire you to create space in your life in order to find peace, joy, contentment and tranquility. Let yourself breathe. We are all overworked, over-scheduled and overly-exhausted. We must give ourselves time to be still, relax, quiet our minds, take the gentle path and embrace life so that we can enjoy the life God has so graciously given us. You will be taught how to take some down time and give yourself time to reflect, dream and have inspired thoughts. We need to learn how to embrace life with purpose and passion. Listening to Gods lead will direct you down a path of renewal and refreshment. Its time for us to discover whats missing from our lives, blocking our peace, joy and contentment. You will discover what is missing is You. Reading this book will take you down a quiet path that takes you back to You.
