

Sock Monsters have invaded Earth! They lurk everywhere. Sock Monsters are invisible, mischievous, sock hungry creatures that love to get your kids into trouble. Not only do they love socks, but also they love puzzle pieces, shoes and other small items. They were caught in the Smith house, quite by accident, and have been discovered invading other homes where children live. Do they live in your house? Sock Monsters Invade Earth: An Interactive Novel allows for the creative spirit within a child to flourish and grow. This book encourages reading, writing and drawing!
