

The Sticker Family: For You, Dad

Just write, draw, and wrap to make a great gift for Dad. It's so easy to create a unique and personal gift for dad that he can treasure forever. Children can simply complete the cool activities and fun questions about themselves and their dad by drawing, writing, and using the stickers inside. They'll fill in a comic strip about their dad as a superhero, answer questions about his favorite sports, and draw the funny faces he makes. Besides stickers to fill in the pictures, this book comes with wrapping paper, a gift card, and an envelope, and it folds out into a stand to display the completed project.
