

Fast Forward #1: A Dangerous Secret (Fast Forward (Delacorte Library))

HAMISHS LIFE SHOULD be perfect now that hes at Capra Video High School, studying his great passion in life: movies. But he finds himself with few friends, and not much to do besides watch movies at home. Then he finds a mysterious note in his locker. You have been chosen to fight evil! it says. Huh? Thats the kind of thing that happens in the movies, right? It doesnt happen to Hamish . . . or does it? Soon Hamish has entered the world of the Vidz, where theres no script to follow, no director to tell you what to do, and no spooky music to tell you when something scary is about to happen. Its up to Hamish to decide how this movie is going to end, and hed better fight those bad guys, because if they win, Hamishs whole life at Capra Video High will change. From the Hardcover edition.
