

The Invisible Elf

In that wonderful land of childhood, there still exists the dreams, hopes, and adventures with elves. Here is a story for students to enjoy through the lower grades. What does a young schoolgirl do with an elf she received with a birthday gift? The elf is visible only to her. To add to the girl's adventures, the elf is very much alive and mischievous. But who will believe there is such a thing as an invisible elf? The illustrations by the author make this an exciting and attractive book. The Invisible Elf is a fine addition to any young student's library.
