

## Fire!: Poe the Possum (Bunyip Tree Series: Childrens Rhyming Picture Book)

Where there is smoke there is Poe the Possum. Poe the Possum is made the Official Fire Chief and takes her new job a little too seriously, much to the annoyance of everybody else. A sudden fire emergency however shows that paranoia can have a purpose. Childrens rhyming picture book. For children ages 3 and up. About the Bunyip Tree... The Bunyips live in the Bunyip Tree. They sleep all day and at night they play. The Bunyip Tree is a massive and mysterious tree full of rooms, staircases and slides with some windows and a big front door. The Bunyip Tree world is set in a small town, somewhere in Australia, beside a river, next to a forest and near the desert. In the centre is a billabong. On an island in the billabong is the Bunyip Tree where the bunyips live. In the town lives a community of Australian animals who play, and explore in their unique environment. The first five stories focus on individual animals from the Bunyip Tree town and their friendship and adventures.
