

Plight of the Dragon (Age of the Hybrid) (Volume 3)

...a marvelous coming of age tale featuring Sebastian and Kyra, two hybrids whose search for their identity requires courage, sacrifice, and a questors tenacity. ...a marvelous read, and its most highly recommended. ~ Jack Magnus for Readers Favorite (starred review) Kyra and Sebastian have again reunited, but their future remains as foggy as the mist around Mystics Carnival?uncertain and unpredictable. Fractured and torn, Kyra must restore her dragon-shifter state before her body rejects its divided status. Mystics magic is on Kyras side, but the true key to her salvation lies within Sebastian, and for Kyra, he would do anything. Or so he believes. Can he give her up in order to save her? With his fathers crew of Reapers advancing on the carnival, the choice may not be Sebastians to make. This is the THIRD and FINAL BOOK in the Upper Young Adult Paranormal Romance: (Moorigad) Age of the Hybrid Series. Some violence, language, sexual content. May not be ideal for innocent carnies. In a magical world where fairy tales are real, when chaos explodes, will dragons stand on the sidelines or align themselves with their daughter, Kyra, in the fight against evil? The final book in this action-packed, paranormal romance will leave you glued to your seat and burning through the pages, anxious to discover the story conclusion.
