

Aggie and the Ice Floe is a childrens picture book, suitable for reading alone, or for parents who wish to read to their children. It is a beautifully illustrated adventure story about a boy, Aggie, whose sleepy world is woken up to a first fall of snow. When he rushes outside to play, Aggie doesnt expect quite the adventure the snow has brought with it, and the friendship he will form with Brandon, a balloonist, who rescues him when he gets into difficulty playing on a frozen river.
