

This series introduces children to the countries of the world through pictures. Each title focuses on one country and uses top-quality photographs and clear text to explain key facts and features. These include the people and how they live, the climate, landscapes, towns and cities, plus chapters on what the country produces. A full-colour map details major geographical features and places pictured in the book. Each title has an index and notes to explain how to use the book. India looks at life in the cities and countryside of this vast sub-continent. Stunning photographs show the fabulous temples of the Hindu faith and the colourful way of life of the people.

Risks of Investing in Software Engineering and Price of Its Failure: The Methods for Reducing Risks and Failure of Software Engineering, Fish - Their Habits and Haunts and the Methods of Catching Them Together with Fishing as a Recreation, The Huge and Horrible Beast (Dingles Leveled Readers - Fiction Chapter Books and Classics), Shadowmancer, Mud, Practical Science: Material World (Brain Waves), You Canny Shove Yer Granny Off A Bus (Puffin poetry), The CDM Sustainability Divide: Renewable Energy and the Clean Development Mechanism in Tamil Nadu. Global Benefits? With Local Costs?,
