

Bestselling author Nancy Krulik delves into the mind of a twelve-year-old just trying to survive middle school. Can you keep a secret? Are you the go-to girl when your friends have a secret to share? Can you be trusted to keep the info under wraps, or are you known for your loose lips? The debut of the Madame X gossip column has turned Joyce Kilmer Middle School upside down. Whoever Madame X is, she's got her finger on the pulse of the school . . . and the power to turn friends against one another by spreading rumors. Now that Madame X is dishing about things only Jenny and her friends could have known, Jenny is sure of one thing . . . Madame X must be one of her friends!
