

## How to Ace Statistics 101: Textbook

Do you want to get an A+ in Statistics 101? This book will show you how! The 221-page, softcover book is a bargain-priced, user-friendly textbook about descriptive statistics, probability, and inferential statistics (including non-parametric testing). Unlike today's textbooks, the book displays no superfluous glitz, just useful information. And, for the examples, the book includes calculations by hand.
