

## Rhyme 4Kids

From former CNN anchor, Terry Baddoo, Rhyme 4Kids is a collection of diverse verse that grade schoolers will love. With a nod to Shel Silverstein and Roald Dahl, Rhyme 4Kids is funny, thought-provoking and observant in equal measures. Poems like Liar, Liar and Penny Wise will make a great starting point for classroom discussions, while rhymes like My Homework Ate My Dog are just plain silly and good for a laugh. Rhyme 4Kids is a promising debut by this author. Be among the first to check it out.
