

Meet Grimshaw and Lampwick the Robber, a curse demon and his master, stuck in Limbo and getting on each others nerves. Grimshaw hasnt had a chance to unleash any destruction in the Real World since Lampwicks death bed curses years ago. When Lampwick has an unexpected opportunity to curse a whole new set of humans, Grimshaw cant believe his luck! There is one young boy on Grimshaws list: Fish Jones. But Fish has unworldly talents of his own. Unlike other humans, he can see Grimshaw. And as Grimshaws destructive inventiveness intensifies, it is matched by Fishs ability to escape. Why is Fish able to avoid the curse? And when Grimshaw plans to wreak the ultimate destruction, not just on Fish, but on the world, will young Jones power be enough to stop him? Full of humour and wild imagination, KILL FISH JONES is a devilishly good read.
