

Knightley Academy

Henry Grim is a servant boy at the Midsummer School until he passes the elite Knightley Academy exam and suddenly finds himself one of the first commoners at the Academy, studying alongside the cleverest and bravest and most arrogant young aristocrats in the country. But someone is out to sabotage him from becoming a full-fledged Knight of the Realm, and soon Henry uncovers a conspiracy that violates the Hundred Years Peace treaty and could lead to war! Full of (bloodless) battles and nonstop action, this page-turner will captivate readers as they root for Henry to save his school and country from their enemies.
