

ResearchNavigator.com Guide: Speech Communication (Valuepack item only)

This updated booklet includes tips, resources, and URLs to aid students conducting research on Pearson Education's research website, www.researchnavigator.com. The guide contains a student access code for the Research Navigator database, offering students unlimited access to a collection of more than 25,000 discipline-specific articles from top-tier academic publications and peer-reviewed journals, as well as The New York Times and popular news publications. The guide introduces students to the basics of the Internet and the World Wide Web, and includes tips for searching for articles on the site and a list of journals useful for research in their discipline. Also included are hundreds of Web resources for the discipline, as well as information on how to correctly cite research.
