Maggot Moon

On the other side of the wall there is a dark secret. And the devil. And the Moon Man. And the Motherland doesnt want anyone to know. But Standish Treadwell, who has different-colored eyes, who cant read, cant write, Standish Treadwell isnt bright, sees things differently than the rest of the train-track thinkers. So when Standish and his only friend and neighbor, Hector, make their way to the other side of the wall, they see what the Motherland has been hiding. And its big.
