

Making Friends Is Not Always Easy

Story Description This is the story of a young girl who learns that making friends is not easy. As she endures the hurt of being left out on 3 occasions, she finds that it requires confidence and persistence to be successful. This tale is very engaging and entices the reader to put himself in her place. The book was inspired by a real life lesson Collette had to learn while developing into the social butterfly she is today! Bonus material includes tips for parents on how to assist their little ones in learning the social skills needed for making and maintaining friends. Parent Reviews Susanna; mother of 2: An awesome story that occurs far too often! Leslye; grandmother of 3: Mini life lesson you can share over and over. Crystal; mother of 3: Amazing story!
