

Maleficent

A deluxe novelization of the Walt Disney Studios film Maleficent, starring Angelina Jolie. This visually dazzling live action film explores the origins of one of the most iconic Disney villains: Maleficent, the infamous fairy who curses Princess Aurora in Disney's animated classic Sleeping Beauty. This origin story is told from Maleficent's perspective, intersecting with the classic in both familiar and unexpected ways. The movie stars Academy Award-winning actress Angelina Jolie as Maleficent, and is directed by two-time Oscar-winning production designer Robert Stromberg (Avatar, Alice in Wonderland). The film co-stars Elle Fanning (Super 8) as the Princess Aurora, and features Sharlto Copley (District 9), Imelda Staunton (Harry Potter and the Order of the Phoenix), and Juno Temple (Atonement).
