

MARTians

Sharp and satirical, this dark comedy will appeal to fans of M.T. Andersons groundbreaking dystopia, *Feed*. An unsettling story of consumerism gone mad, *MARTians* brilliantly imagines a world that is part Kafka and part Orwell (Booklist). Last girl Zoe Zindleman, numerical ID 009-99-9999, is starting work at AllMART, where your smile is the AllMART welcome mat. Her living arrangements are equally bleak: she can wait for her home to be repossessed now that AnnaMom has left, or move to the Warren, an abandoned shopping centre, to live with the other left-behind children. As Zoe struggles to find her place in a world that has consumed itself beyond redemption, she realizes she isnt ready to disappear into the AllMART abyss quite yet. Zoe wants to live.
