

## Mary for Today

Fr. von Balthasar provides a profound and concise spiritual guide for all who desire to know and love the Mother of the Lord. The acclaimed theologian gathers from the Sacred Scriptures and the rich tradition of the Church to present a portrait of Mary that shows her importance and relevance for Christians today. In this inspiring work, von Balthasar exhibits the quintessential elements of a great theologian: depth of traditional devotion combined with intellectual brilliance and seasoned with common sense. He reveals to us the crucial spiritual role of Mary for all Christians: she shows us what the Church is and guides us close to Jesus. For Christians to understand their vocations as individuals and as the Church, Mary is essential as the model of the first disciple. Von Balthasar captures her singular role when he quotes her words in the Gospel at Cana: Do whatever he tells you. Perhaps nowhere is Mary's role and significance more clearly present than in this Gospel scene. This work is beautifully illustrated with lovely silhouette drawings by artist Virginia Broderick.
