

Mervin the Magic Mower

Tom Goode saves an old mower from the scrap heap and with the help of Mr Pickle gets him working again. Tom calls his mower Mervin, only to find that he is no ordinary mower because he can talk, but only to Tom. Mervin turns out to be a Magic Mower in other ways as well, and Tom and Mervin begin their adventures together. This beautifully illustrated childrens story is about how Tom Goode rescues an old mower from Mr Pickles junk yard and saves him from being thrown out onto the scrap heap. With the help of Mr Pickle, Mervin works again! But Mervin is no ordinary mower because he can magically talk, but only to Tom, who also seems to be the only person who can start Mervin. Because Mervin can talk, Tom decides to call him Mervin the Magic Mower. This is the first in a series of childrens stories about how Tom and Mervin weave their magic and help other people in the community.
