

## Mrs. McGillicuttys Last Sunflower

What happens when an old woman does not plant her flower garden as usual and the scale tips so that there is more ugliness than beauty in the world? Mrs. McGillicuttys Last Sunflower tells the story. Trolls go to work planting more weed seeds. An elf named Berk, who is Keeper of Beauty among the little people, scrambles to save the day. Along the way, he gets helps from fellow elves and a pair of neighborhood children. This is a beautifully illustrated story picture book for youngsters, young readers, and their parents.
