

My Mommy (Surprise Board Books)

These lift-the-flap books, illustrated with soft pastel drawings, are powered by pure imagination! Under each flap, there is a peekaboo surprise--both for the reader and for the toddler who narrates each tale. Large type and simple rhythmic language will inspire early literacy and critical thinking skills. In My Mommy, Baby searches for Mommy, but finds himself mothered by a gorilla, a kangaroo, and a pig. Just where is Mommy?
