

Party at Silver Spires: School Friends (Book 7)

Nicole is so proud to be starting at Silver Spires boarding school, but she can't help worrying that her new friends will realize that she doesn't really fit in. After all, they have expensive clothes and amazing holiday homes, while she couldn't even afford to come to the school without her scholarship. And now there's an ultra-glam welcome party and she doesn't have anything to wear. How is she ever going to look the part, and stop her friends from discovering the truth? Refreshing, fun and really re-readable! - CITV
