

Take the imagination of bestselling author Gordon Korman, add the hands-on expertise of the popular Mad Science group and eureka! A hilarious new science fiction series! The kids in Mr. Flasks science labs are having loads of fun with 3-D glasses, mirrors, and optical illusions. Meanwhile, Professor von Offel uses these ideas to create a light-beam projector that makes you see what you want to see . . . and there's trouble when that beam falls on Mr. Flasks orangutan!
