

Wuthering Heights: Om Illustrated Classics

Popular classics have captured the imagination of readers across generations from all over the world. However, the language and the complex plots of the original stories can confuse any child; hence, the classics have been abridged, adapted and illustrated in a way that children understand and enjoy them. These classics instill a love of reading in them. The Om Illustrated Classics are ideal for the young readers to start their personal libraries.. USP ? The adapted edition of well-known classics written in simple language make them accessible to young readers ? The detailed illustrations on almost every alternate page add to the reading experience of the reader ? Authors biography, character sketches and questions at the end of each classic help make the reading experience more informative Readership Suitable for children of above 10 years School and public libraries Educational Institutions
