

CIA K-9 Annie and Me

Drew is a young boy from Mission Viejo, California. He attends Barcelona Hills Elementary School where he is bullied. Jason, the bully, and Mrs. Grey, his third grade teacher, make Drews life miserable. Drew hates third grade. Drews best friend is his dog, Annie. Annie is a secret CIA operative, a super spy who takes on assignments in her spare time for national security. Annie loves and protects Drew. She is very mischievous and sometimes gets in trouble with Drews Mom. Annie has a great sense of humor and loves to make Drew laugh. Drews family experienced a traumatic event. They do not share this information with others. Annie thinks that Drews life isnt much different than great superheroes like Batman. Annie tells Drew that he is destined for greatness. This weekend, Drew with Annie by his side, Mom and Nana are going to visit Grandpa. Annie knows this is a very difficult situation for Drew, so Annie takes incredible risks to watch over her boy.
