

Our Planets: Stage 3C (Jumpstart Extra)

30 Additional non-fiction readers plus 3 Teachers Resources, in 3 Stages, follow the structure and style of the parent series, Jumpstart. Its purpose is to provide non-fiction, easy-read books for the primary reading market, as well as to add more breadth to each stage of Jumpstart. Jumpstart Extra Stage A provides ten non-fiction books to complement and extend Jumpstart Stage 1 readers. Every Jumpstart Extra title links thematically to a core book in Jumpstart, and repeats the core books high frequency vocabulary. Less confident readers are progressively familiarized with non-fiction text features such as captions, diagrams, maps, indexes and glossaries. No new strategies are introduced and new vocabulary is minimal, allowing children increased opportunities to succeed.
