

The Victory Prayer

The Victory Prayer holds the keys to a fulfilled life using secrets from the Bible, this book shows one how to pray and live everyday victoriously. Have you ever wanted a Christian prayer that covered all the bases? An inspired prayer that could help one grow closer to God and to achieve all their rights and benefits as His child? In his book *The Victory Prayer*, author and Doctor John Cole Tatum shows readers how to use secrets from the Word of God to bless, protect, and strengthen themselves-every day. *The Victory Prayer* is an all-inclusive prayer from Gods Word with researched and documented Scripture references, says Tatum, who adds that the book is the fruit of three years intensive research and real-life practice. *The Victory Prayer* is the first work of its kind, released into the world at the darkest of times. Why wonder what to pray when you can say the Victory Prayer everyday. I encourage people to let Gods Word work for them and to expect God to grant victory every day, both for themselves and for those they love.
