

Pretty Ballerina

This little girl loves to draw. The trouble is, no one can understand her scribbles. Is it a chicken gone berserk? Is it Frankenstein yawning? Oh, no she says, Its a pretty ballerina with a little ocarina and her pet chiquita cheetah singing Auld Lang Syne. No one can figure that out until Gramma comes along. From the pen of G.C. McRae and the paintbox of acclaimed illustrator David Anderson comes another quirky rhyming tale, just perfect for bedtime.
