

Read on Target offers an easy-to-use four-step process to strengthen reading skills. This series can be used in portfolios, for assessments, for standardized test preparation, and for intervention. Skills addressed include: analyze character, plot, and setting; evaluate authors purpose, organizational structure, cause and effect, and fact and opinion; infer and predict; compare and contrast; evaluate, critique, and summarize. It assesses both fiction and nonfiction and can be used in conjunction with any reading program or series.
