That job was meant for his big brother Dean, the star high school athlete. You see, the Federation of Intergalactic Good (F.I.G.) sends an alien girl named Hayley Comet and two robots, Snipe & Twidget, to give the mystical, empowering Melding Ring to Dean. But it lands on Skylers finger instead! Thinking Skyler is WAY too young, the recruiters try to talk him into giving the Ring back. But when the little guy sees all the epic space stuff, hes ALL IN!
